

I understand that I have been blessed with the opportunity to coach our children in sports. There are many choices that I will face as a coach, and I pledge to live and coach by the standards of the

4HG COACH CODE OF CONDUCT

As a 4HG coach, I believe:

- ✦ I have a great opportunity to **IMPACT** kids. I will be thankful for the chance to help them develop their talents and acknowledge the blessings that God has provided.
- ✦ I will largely **DEFINE** my players' experience. I will always maintain a Christian focus, greet each day with enthusiasm, and persevere through adversity so as to exhibit good sportsmanship while leading by example.
- ✦ Kids should have **FUN** while working hard to get better. I will use my role as coach to encourage student-athletes to build on their successes while overcoming hurdles so that I may help them experience joy in sport.
- ✦ It is important to strive to develop a personal **RELATIONSHIP** with each of my players. I will take time to know my athletes and recognize their unique situations, and put each one before myself by having charity for all.
- ✦ Winning is a **GOAL** when competing, but I know that the final score is not what is most important. I will coach with kindness, allow all team members to shine, and respect my fellow coaches and parents with the promise that I understand the true purpose of athletics. I commit to coach **FOR HIS GLORY**.

4HG COACH PRAYER

My Jesus
I coach for Your glory.
Win or lose, may I always do my
best and remember that my worth
is always found in You.
Holy Spirit, coach through me.
Amen.
